MEER-KITTY

INTERIOR DESIGN

Welcome!

Meer-Kitty Interior Design was founded in 2018 by sisters, Jocelyn & June Ellory. We started our online channel by posting video episodes of DIY projects and room makeovers we did in college. Once we graduated, we officially founded Meer-Kitty, and ever since, we have focused all of our energy into growing our business and helping people with their interior spaces.

Our site is a major hub of inspiration, information, and our favorite things. So dig in!
